EdLeader21 ANNUAL EVENT

The EdLeader21 Annual Event presented by Battelle for Kids is more than just a conference; it's a gathering of forward-thinking education leaders eager to share best practices, stories of ingenuity, and creative approaches to learning. It's an engaging and inspiring experience exclusively for EdLeader21 network member districts to accelerate future-ready, deeper learning for every student.

Who Attends Annual Event?

Over the past five Annual Events, attendance has averaged nearly 650 attendees. They come from all over the country (and world) as the EdLeader21 Network boasts membership in 34 states and Brazil. Our membership is diverse, representing urban, suburban, and rural districts.

They also represent varied roles within the school system. These include:

- Superintendents
- Communication Officers
- Classroom Teachers
- Central Office Leaders
- Building Principals
- Board Members

WHAT OUR ATTENDEES SAY

The EdLeader21 Network Annual Event was extremely engaging, and inspiring, and all presenters were really knowledgeable about the information delivered. I have so many ideas now and I am very thankful to be there.

I feel inspired and invigorated as a school leader.

This was one of the best conferences I have ever attended. Being new to my role and new to the division, it was helpful in getting a better understanding of my division and the work they have done up to this point. Each session I attended was amazing and I was able to walk away with usable information. Can't wait to attend next year.

I loved the opportunities for networking between districts, the practical sessions that allowed me to consider how I can replicate in my district, and the overall tone of the conference.

Why Sponsor Annual Event?

Our network is helping visionary leaders make the “big moves” to engage their communities and act on a vision for future-ready, deeper learning. More importantly, this network helps grow vital relationships among members, creating a powerful opportunity that connects colleagues on the same journey.

Imagine joining us at the event that brings together members from the nation's premier network for education transformation and being able to network and build relationships with leaders and educators from coast to coast who think differently, act boldly, and drive positive change for every student.
