

Vision of a Lakewood Ranger

- Vision of a Lakewood Graduate (2019): six core competencies—critical thinking, communication, collaboration, growth mindset, global citizenship, empathy.
- Vision of a Lakewood Educator (2021): Focuses on teaching through the lense of diversity, equity, inclusion, and social-emotional learning for all.
- Vision of a Lakewood Ranger (2023): Unites our Graduate and Educator visions to acknowledge that we are all Rangers, all with the same mission.

Vision to Practice

- Examples of students applying competencies in community-focused projects like food drives and presentations.
- Transition to Work program integrates competencies in workplace learning (e.g., Friendship Café).

Deeper Learning

- Middle school students apply competencies through local business interviews and infographics.
- Focus on embedding competencies into classroom instruction.
