

Profile of a Graduate

- Intentionally builds on the foundation of content mastery to apply the 4Cs to achieve learning outcomes.
- Every competency is delineated into performance areas teachers can explicitly speak to with students.

Profile to Practice

- End-of-grade band student-designed Profile Projects encourage applying and transferring profile competencies in grades 3, 5, 8 & 12.
- Students in grades 8 & 12 utilize reflection to defend their learning to an audience.
- A diverse selection of grade 12 courses provides students with the opportunity to be mentored by a content specialist in a field relevant to their Profile Project topic.

What Is a Profile Project?

A Profile Project is an authentic, multifaceted capstone experience that allows for exploration of a passion, personal interest, or curiosity. The Profile Project requirements are designed for all students to apply and transfer academic knowledge and skills to a personally meaningful context that culminates in student growth.

What are the Profile Project Types?

Portfolio Defense, Research Exhibition, Experimental Finding, Service Learning, and Event Coordination

What are the components of a Profile Project?

Project Proposal
Working Portfolio
Research Component
Defense of Learning
Final Reflection
