

# Vicksburg High School

## I can...

attend a CTE visit and use 4 disciplines to select a career pathway.

complete a graduation portfolio that shows my personal and academic growth K-12.

create a resume and participate in mock interviews to prepare for the workforce.

be a good citizen and register to vote.

prepare for college by attending a college visit and completing a college application and the FAFSA.

successfully complete a College & Career Readiness course.

develop a business and financial plan with my business mentor.

connect with an employer mentor to help cultivate my career plan.

successfully complete all levels of JROTC, satisfy entry requirements for enlistment in the US Armed Forces, and connect with a military recruiter.

update my ISP and monitor my GPA.

complete all grade-level activities in MC.

set academic and personal priorities and goals.

show mastery on all required district testing, including ACT, ACT WorkKeys, end-of-course exams, ASVAB and industry certifications.

strive for perfect attendance by not missing more than 9 days each year.

meet regularly with my advisor regarding my academic and personal growth.

create a personal mission statement that reflects who I am and what I aspire to be.

set goals for earning industry certifications and graduation endorsements.
